

FOSTERING HOPE BETTER TOGETHER BRUNCH SPONSORSHIP OPPORTUNITY

WHO WE ARE

Fostering Hope Seattle cultivates communities where foster youth and families can thrive and recognize their true value and worth. Following Jesus' example, we extend unconditional love and grace as we equip and serve our foster community with home essentials, training, and relational support. Please join us for a vibrant time of sharing and storytelling over coffee and brunch with our community, staff, and friends.

WHAT WE DO

Fostering Hope Seattle offers tangible avenues of hope for young adults as they exit foster homes, ages 18 – 21 years, such as first apartment essentials and life skill conversations. We partner with social workers to host events to build community and fun for foster youth. We also offer a fully facilitated monthly Foster Family Community Group, quarterly Social Worker appreciation, Respite Room Support and more. We recently helped start the first-ever Reflect / Connect Group just for Foster Youth!
